Overtone Singing

Workshop

with Risha

September 14th 2025
in Zutphen (NL)

Overtone singing leads us deep into our own voice. It enriches our vocal expression and listening, and supports healing for body and mind.

Anyone who can speak can learn this powerful form of singing.

This workshop is open to all who feel drawn to overtone singing and the voice —no prior experience needed.

Sunday September 14th 2025, 14.00 to 17.30
in the Therapiestudio Meijers, Groenensteeg 1,
7201 BH Zutphen
Early bird price (till August 24th): 45 eur
Regular price: 55 eur
Maximum 10 participants

Registration & tickets on Hipsy:

I've been singing overtones since 2010 and teaching it since 2015. I studied and refined my technique with the voice artists Wolfgang Saus (Germany) and Christian Zehnder (Switzerland). In 2019, I completed my degree in Music and Movement at the Bern University of the Arts.
I'm passionate about traditional songs from around the world and the practice of mantra singing.
